If both biological parents of an eligible new-born are covered under either plan 1 or plan 2 continuously for 10 months from the **cover start date** of their respective policies on the new-born's date of birth, **we** will cover the new-born for free under the mother's policy. This benefit will reduce the **policy year limit** under the mother's policy.

Cover for the eligible new-born will begin from the 15th day after the new-born's birth or the date of the new-born's discharge from **hospital** after birth, whichever is later. During the cover period, both parents' policies must be in-force.

The benefit automatically ends on the date:

- (i) the eligible new-born is 6 months old; or
- (ii) the eligible new-born takes up a Medisave-approved integrated shield plan; whichever is earlier.

e Emergency overseas treatment

If the **life assured** is covered under plan 2 or plan 3, **we** will pay:

The **life assured** must be referred through the Medisave-accredited institution/referral centre in Singapore.

(i) If the **life assured** is covered under plan 1, **we** will pay:

- the actual charges which the **life assured** has to pay; or
- **reasonable expenses** for equivalent medical treatment under a similar plan in a private **hospital** in Singapore;

whichever is lower.

(ii) If the **life assured** is covered under plan 2 or plan 3, **we** will pay:

- the actual charges which the **life assured** has to pay; or
- **reasonable expenses** for equivalent medical treatment under a similar plan in a **restructured hospital** in Singapore;

whichever is lower.

Pre-**hospital** treatment which is given before and post-**hospital** treatment which is given after **planned overseas treatment** is covered if the claim for **planned overseas treatment** is payable. Post-**hospital** treatment which is given after **planned overseas treatment** will be covered up to the number of days covered under non-**panel specialist** in a private **hospital** shown in the **benefits schedule**.

Outpatient treatment overseas is not payable.

We will pay this benefit only if **residency** of the **life assured** is Singapore on the date of the **life assured's** admission.

The pro-ration factor shown in the **benefits schedule** will not apply if the **life assured** incurs eligible expenses for outpatient kidney dialysis in a panel private dialysis centre.

j Preventive treatment for cancer

Pays for **surgery** to prevent further cancer if the **life assured** already had treatment for cancer and **we** have paid for the **treatment**. The **surgery** must be recommended by a **specialist**.

We will not pay for **surgery** where no cancer has been diagnosed and no treatment has been paid by **us**.

1.4 Final expenses benefit

The final expenses benefit is a waiver of the **MyShield annual deductible** and **co-insurance** up to the amounts shown in the **benefits schedule**.

We pay the final expenses benefit if:

- the **life assured** dies while **hospitalised** or within 30 days of discharge from a **hospital**; and
- death resulted from the cause of the **hospitalisation**.

2. Our responsibilities to you

We are only responsible to **you** for the cover and period of **your policy** and **our** responsibilities are governed by the terms, conditions and limits of **your policy**. **We** pay the minimum of **reasonable expenses** depending on the **life assured's plan** or the pro-rated amount of the total bill (including charges for pre-**hospital** treatment and post-**hospital** treatment), whichever is lower. **We** will deduct any amounts due or owing to **us** under **your policy** before paying any **benefits**. The final computed **benefits** (excluding extra **inpatient** benefit for 5 **critical illnesses**) must not exceed the **policy year limit** shown in the **benefits schedule**.

If the **life assured's** policy is integrated with **MediShield Life**, **we** will pay claims according to **your policy** or **MediShield Life**, whichever is higher.

If the **life assured** is a foreigner who is not a Singapore permanent resident, he is not covered under **MediShield Life**. **We** will pay claims according to the **benefits** under **your policy**.

2.1 Making a claim

All claims (except pre-**hospital** treatment, post-**hospital** treatment, **emergency** overseas treatment, **planned overseas treatment** and **free new-born benefit**) must be made and sent to **us** through the electronic filing system set up by **MOH** and according to the **act** and **regulations**. **You** must complete the Medical Claims Authorisation Form (Single or Multiple version) to give **your** consent to the **CPF Board**, medical clinic or institution to verify **your** insurance membership and release of medical information, and give **us** any other documents, authorisations or information **we** need to assess the claim.

If **your** claim is not eligible for electronic filing by the **hospital** (for example, claims under plans which are not integrated with **MediShield Life** or claims for pre-**hospital**, post-**hospital** treatment, **emergency** overseas treatment, **planned overseas treatment** or **free new-born benefit**), **you** must send the claim to **us** by post or by hand.

All claims must be sent to **us** within 90 days from the date of treatment, date of billing, or the date the **life assured** leaves the **hospital**, whichever is later.

For claims which are electronically filed to **us** by the **hospital**, **we** will pay the **hospital** directly. Otherwise, **we** will pay **you**.

If **you** make a claim for **emergency** overseas treatment or **planned overseas treatment** or the **life assured** is not a Singapore citizen or Singapore permanent resident, **you** must complete the claim form as follows and submit it to **us**:

- the **life assured** or the **life assured's** legal personal representative must complete all the questions in section A of the claim form and sign it;
- as soon as possible after the information or document becomes available and, in any case, within 90 days after treatment begins, the **life assured** or the **life assured's** legal personal representative must give **us** the originals of all documents and bills, authorisations or information **we** need to assess the claim and deal with it. **You** must pay all costs involved. **We** do not accept photocopies; and
- the attending **doctor** must complete all questions in section B, affix his rubber stamp on the claim form and sign it.

If **you**, the **life assured** or the **life assured's** personal representatives do not co-operate with **us** in dealing with the claim, the assessment of the claim may be delayed or **we** can reject the claim.

2.2 Settling the claim

We will apply the following limits shown in the **benefits schedule** (if applicable) to the **benefits** in the following order when computing **your** claim:

- a** eligible expenses;
- b** **pro-ratio factor**;
- c** limit of **benefits**;
- d** **MyShield annual deductible**;
- e** **co-insurance**;
- f** **policy year limit**.

We will pay the claim once **we** are satisfied that all requirements are fully fulfilled. Any payment made under this clause will entirely release **us** from any obligations and any further liability in respect of the claim.

If the amount **we** pay to a **hospital** under the letter of guarantee issued to the **hospital** is not payable for any reason, **you** must fully indemnify and reimburse **us** for the amount within 30 days from the date of **our** notice asking for reimbursement.

Before **we** admit or pay any claim and during the duration of a claim (including a claim for post-**hospital** treatment even if the pre-**hospital** treatment or **inpatient** treatment has been paid by **us**) under **your policy**, **we** have the right to require the **life assured** to be examined by a **doctor** appointed by **us**, whenever and as often as **we** may reasonably want.

In addition, **we** have the right to ask for a post-mortem where this is not forbidden by law.

2.3 Limits of Liability

Our liability for each **benefit** and type of plan under **your policy** is limited to the amounts shown in the **benefits schedule**. **We** will apply the **pro-ration factor**, **MyShield annual deductible** and **co-insurance** (if applicable) before **we** pay any benefit.

a MyShield annual deductible

MyShield annual deductible applies to all claims made under **your policy** except for major outpatient treatment and final expenses benefit.

b Co-insurance

Co-insurance applies to all claims made under **your policy** except for final expenses benefit.

c Pro-ration factor

Except for final expenses benefit, **we** will apply the **pro-ration factor** if the **life assured** is admitted as an **inpatient** to a room or **hospital** above what the **life assured** is entitled to under **your policy** or at a **hospital** outside Singapore or receive major outpatient treatment at a private **hospital** or medical institution.

The benefit **we** pay will be reduced by first applying the **pro-ration factor** to:

- the original final bills showing the actual charges which the **life assured** has to pay including charges for pre-**hospital** treatment and post-**hospital** treatment received in connection with **hospitalisation**; or
 - **reasonable expenses** depending on the **life assured's plan**;
- whichever is lower.

If the **life assured** is admitted to a ward/**hospital** that is the same or lower than what he is entitled to under **your plan** but receives pre-**hospital** treatment or post-**hospital** treatment in a **hospital** or clinic that is higher than what he is entitled to under **your plan**, **we** will apply the **pro-ration factor** to the pre-**hospital** treatment or post-**hospital** treatment.

Except where the **life assured** receives **inpatient** treatment in a luxury or deluxe suite or any other special room of a **hospital**, if the **life assured** changes the type of room during his stay as an **inpatient**, **we** will use the type of room he was staying in immediately before his discharge to decide if **we** will apply the **pro-ration factor**.

The **pro-ration factor** does not apply to expenses which the **life assured** has to pay at:

- a **restructured hospital** for major outpatient treatment, day **surgery**, pre-**hospital** treatment and post-**hospital** treatment; or
- a subsidised dialysis or cancer centre in Singapore for major outpatient treatment.

3. Your responsibilities

3.1 Full disclosure

Up to the **cover start date** or the **upgrade** effective date or the last **reinstatement date**, whichever is later, **you** and the **life assured** must disclose to **us** fully and truthfully, all material facts and circumstances about the **life assured** that may influence **our** decision whether or not to cover him or to impose further terms and conditions on **your policy**.

If **you** do not give **us** this information or misrepresent any information, **we** may:

- (i) declare **your policy** "void" from the **cover start date** or the last **reinstatement date** (whichever is applicable);
- (ii) end the cover for the **life assured**; or
- (iii) add extra terms and conditions, amend and/or adjust the benefits as **we** may deem fit.

If event (i) or (ii) above happens, **we** will refund **you** all **premiums** paid to **us** only if **you** have not made any claim under **your policy**. If **you** have made a claim under **your policy** before event (i) or (ii) happens, **we** will calculate the **premium** to be refunded from the first **policy year** immediately following the **policy year** in which **you** made the last claim under **your policy**. If the **life assured** is a Singapore citizen or a Singapore permanent resident, the **life assured** will continue to be covered under **MediShield Life** without any exclusion.

3.2 Premium

You must pay the **premium** every year in order to receive the **benefits**.

We give **you** 60 days' **grace period** from the **renewal date** to pay the **premium**. During this **grace period**, **your policy** will stay in effect. **You** must first pay any **premium** or other amount **you** owe **us** before **we** pay any claim under **your policy**. If **you** do not pay the **premium** by the last day of the **grace period**, **your policy** will end on the **renewal date**.

You are responsible for making sure that **your premium** is paid up to date.

We may deduct **your premium** from the designated Medisave account according to the **act** and **regulations** and the **CPF Act** and any subsidiary legislation under the **CPF Act**, as may be amended, extended or re-enacted from time to time.

You must pay the **premium** or any part of it in cash if:

- a the **premium you** owe is more than the maximum Additional Withdrawal Limit (for Singapore citizens or Singapore permanent residents) or Medisave Withdrawal Limit (for foreigners) set by the **CPF Board**;
- b there are not enough funds in **your** Medisave account to pay the **premium** due; or
- c the **premium**, or part of it is not taken from the designated Medisave account for any reason.

3.3 Change of citizenship and residency

You must tell **us**, as soon as possible, when the **life assured's** citizenship or permanent residency status changes and submit a copy of the **life assured's** new national registration identity card or other evidence of change acceptable to **us** to update **our** record. Failing to inform **us** on the citizenship or permanent residency change may result in duplicate MyShield cover and **premium** payment for the **life assured**.

We have the right to amend the **life assured's** MyShield cover upon notification from **CPF Board** of the change in **life assured's** citizenship. **We** will adjust the **renewal date** and **premium** accordingly.

4. When your policy ends

Your policy automatically ends on the date:

- the **life assured** dies;
 - **we** receive **your** written notice requesting cancellation of **your policy** under **clause 5.2**;
 - **we** do not receive **your premium** after the **grace period**;
 - **you** fail to give **us** any information or document which **we** require from **you**, which date will be determined by **us**;
 - **you** fail or refuse to refund any amount **you** owe **us**, which date will be determined by **us**;
 - fraud under **clause 7.9** takes place;
 - **you** do not reveal information or misrepresent to **us** under **clause 3.1**;
 - **you** or the **life assured** does not fulfil the eligibility requirements set out under **clause 7.1**;
 - the cover of **your policy** ends; or
 - the **life assured** is covered under another Medisave-approved integrated shield plan;
- whichever is earlier.

When **your policy** ends, **you** have no further claims or rights against **us** even if **your** claim arose directly or indirectly from a covered condition which occurred before **your policy** ended.

Ending **your policy** does not affect the **life assured**'s cover under **MediShield Life**. The **life assured** will continue to be covered under **MediShield Life** as long as he is eligible under the **act** and **regulations**.

5. What you can do with your policy

5.1 Reinstate your policy

If **your policy** terminates because **you** have not paid the **premium**, **you** may apply to **us** within 30 days from the date of notice of termination to reinstate **your policy** if **you** meet all of the following conditions:

- the **life assured** must be 75 years old or below at age next birthday on the **reinstatement date**;
- **you** must pay all **premiums** **you** owe before **we** will reinstate **your policy**; and
- **you** have given **us** satisfactory proof of insurability for each **life assured** at **your** expense.

If **we** agree to reinstate **your policy**, **we** will issue **you** a notice of reinstatement. If there is any change in the **life assured**'s medical or physical condition, **we** may add exclusions from the **reinstatement date**.

To avoid doubt, if **we** accept any **premium** after **your policy** has ended, it does not mean **we** will not enforce **our** rights under **your policy** or **we** will create any liability for **us** in terms of any claim. **We** will not pay for treatment provided to the **life assured** after the date **your policy** ends and within 30 days from the **reinstatement date** unless treatment was received as an **inpatient** for **injuries** caused by an **accident** which took place after the **reinstatement date**.

5.2 Cancel your policy

You may cancel the policy with effect from any **renewal date** by giving **us** at least 30 days' written notice of **your** intention not to renew **your policy**. The **life assured**'s cover under **your policy** will end on the **renewal date**.

You may also cancel **your policy** during the **policy year** and after the free look period by giving **us** at least 30 days' written notice. **We** will refund **you** the pro-rated **premium** for the unexpired period of cover.

5.3 Change your plan

You may write to **us** at any time and ask to change the **life assured's plan**.

If **you** ask to **upgrade** the **life assured's plan**, **you** must give **us** satisfactory proof of insurability for each **life assured** and pay for the costs involved. Any claim that arises from a **pre-existing condition** after the **upgrade** will be assessed based on the terms and conditions of the **plan** before the **upgrade**. If **your policy** is under the **moratorium underwriting option** and the **life assured** satisfies the **moratorium** of the **plan** before the **upgrade** and a claim is admitted, **we** will pay **benefits** up to the limit of the **plan** before the **upgrade**.

If **you** ask to **downgrade** the **life assured's plan** within the same underwriting option, **you** do not need to declare **your** medical conditions to **us**.

If **we** approve **your** request to change the **life assured's plan**, **we** will write to tell **you** when the new plan will take effect. The **policy year** and **period of insurance** for **your** existing **plan** will end on the day immediately before the day on which **your** new plan takes effect. The period of insurance for the new plan will be a 12-month term from the date on which the new plan takes effect and the limits shown in the **benefits schedule**, the **MyShield annual deductible** and **co-insurance** for the new plan will apply from the date on which the new plan takes effect. The **benefits** which **we** pay on a per lifetime basis will not be paid again in the new **policy year** if **you** have made a claim on these **benefits** and **we** have paid 100% of the limits shown in the **benefits schedule** for these **benefits** before **your** change of **plan**.

A **pre-existing condition** which has been permanently excluded under **clause 7.8** will remain permanently excluded under the **upgrade**.

6. What your policy does not cover

The following treatment items, procedures, conditions, activities and their related or consequential expenses are not covered under **your policy**. However, some of these exclusions may be covered under **MediShield Life**. For exclusions that are covered under **MediShield Life**, **we** will deal with **your** claim according to the terms and conditions and benefit limits of **MediShield Life**. If **we** say that because of an exclusion or any other term or condition of **your policy**, any loss, damage, cost or expense is not covered by **your policy**, the burden is on **you** to prove otherwise.

7. What you need to note

7.1 Eligibility

To be eligible for MyShield, **you** must:

- be a Singapore citizen or Singapore permanent resident; and
- have a Medisave account;

and the **life assured** must be 75 years old or below at age next birthday at the **cover start date**.

Only **life assureds** who are Singapore citizens or Singapore permanent residents are eligible for cover under MyShield plan 3.

Your dependants are also eligible for cover under MyShield plan 1 or plan 2 as long as they are Singapore citizens, Singapore permanent residents or foreigners who hold **eligible valid passes**. A new-born is eligible for cover 15 days after birth or after discharge from **hospital**, whichever is later.

7.2 Geographical scope

The **life assured** must seek treatment in Singapore. Any treatment provided to the **life assured** outside Singapore is limited to the **emergency overseas treatment** or **planned overseas treatment**.

7.3 Other insurance

If **you** or the **life assured** have other medical insurance policies (including medical benefits under any employment contract) which allows **you** or them to claim a refund for medical expenses, **you** or the **life assured**, must first claim from these policies before making any claim under **your policy**. **Our** obligations to pay under **your policy** will only arise after **you** have fully claimed under these policies.

If **we** have paid any **benefit** to **you** first before **you** make a claim under the other medical insurance policies, the other medical insurers or **your** employer must refund **us** their share. **You** must file **your** claim with the other medical insurers or **your** employer so that **we** can get back their share of the claim **we** have paid. For every claim, the total reimbursement **we** make will not be more than the expenses actually paid.

For example:

Assuming all treatments are made through panel specialist in a private hospital with certificate of pre-authorisation, restructured hospital or community hospital	Assuming some treatments are made under other circumstances
Policy year limit: S\$2,000,000 Cost of treatment A: S\$2,000,000 Reduction in policy year limit due to claim A: S\$2,000,000 Remaining policy year limit (after claim A): $S\\$2,000,000 - S\\$2,000,000 = S\\$0$ Total reimbursement for treatment (A): S\$2,000,000	Policy year limit: S\$1,000,000 Cost of treatment A (by non-panel specialist in a hospital): S\$250,000 Reduction in policy year limit due to claim A: S\$250,000 (100% of S\$250,000) Remaining policy year limit (after claim A): $S\\$1,000,000 - S\\$250,000 = S\\$750,000$ Cost of treatment B (by panel specialist in a private hospital with certificate of pre-authorisation, restructured hospital or community hospital): S\$1,000,000 Reduction in policy year limit due to claim B: S\$500,000 (50% of S\$1,000,000) Remaining policy year limit (after claims A & B): $S\\$750,000 - S\\$500,000 = S\\$250,000$ Cost of treatment C (by panel specialist in a private hospital <u>without</u> certificate of pre-authorisation): S\$250,000 Reduction in policy year limit due to claim C: S\$250,000 (100% of S\$250,000) Remaining policy year limit (after claims A, B & C): $S\\$250,000 - S\\$250,000 = S\\$0$ Total reimbursement for treatments (A + B + C): S\$1,500,000
